#### **A. Background of the Study**

Language style is a form of expression through ideas that can be conveyed through thoughts and feelings, both orally and in writing. AccordingLalanissa (2017: 2), language style is one of the supporting elements in a literary work and is closely related to other elements. Every writer has different ideas in writing. Every writing must be influenced by an author to strengthen the content and creativity in choosing language styles when writing, such as making song lyrics. Authors create song lyrics with their own language style that can come from life experiences or events that have happened. Thus, song lyrics have a language style to convey messages.

The researcher examined one of the song lyrics from the famous rock musician, Guns N' Roses, entitled “November Rain”. The lyrics of this song are taken from a true story between a musician's relationship with his girlfriend who experienced deep sadness. The lyrics of November Rain have an interesting tone, meaning, and language style. The lyrics of this song is the vocalist of Guns N' Roses. Song lyrics are a series of words that each line has a meaning that forms a song. According to Febrianty (2016:12), poetry or

lyrics is one of the literary works as a result of human creation that contains the value of beauty and a picture of life either experienced directly or not by the author. Thus, song lyrics are a series of words that each stanza has its own meaning and rhythm written by an author. Furthermore, the relationship between language style and song lyrics is that the author wants to convey a message with full of figurative words that have the intent and purpose of the lyrics of the song rain month november in order to be enjoyed by readers and listeners formed in a song.

The researcher are interested in examining the language style in the lyrics of this song because there is a meaning related to life and has a history that occurred in real life by the personal experiences of the band members or the influence of events in life. Then, the plot in the lyrics of this song is always related to the time that continues to rotate.
